

Prince of Peace Workday at Riverview Gardens
Urban Farm | 242 W. Seymour Street | Appleton, WI 54915
Monday, April 29, 2024 | 12:30 – 3:30

An invitation from Riverview Gardens Volunteer Coordinator:

“Join us on the Farm to support our mission to build dignity through job training and employment! Our certified organic, community supported urban farm hosts volunteers of all ages and backgrounds, working together side-by-side. Participants in our ServiceWorks job training program work towards graduation, achieved after 90 hours of volunteer time, on the Farm. In addition, anyone who volunteers 15 hours with us can take advantage of our Earn-A-Bike program and receive a free bike and safety gear! Your work on the Farm enables us to continue hosting a location for our neighbors and community members to work towards transforming their lives and circumstances.

Not only does volunteering at Riverview Gardens support our community through ServiceWorks, but your work on the Farm directly impacts our neighbors experiencing food insecurity. None of this work would be possible without you, our dedicated volunteers. Thank you! “

What you need to know for the April 29 workday:

- Park on the Willkie St. across from the driveway to the farm on Seymour St. Meet in the workshop building to sign in and for orientation. [View Map / Get Directions](#)
- Wear comfortable work clothes. We will most likely be in the Starts House planting seeds and/or transplanting seedlings to larger pots or planting seedlings into hoop houses outside.
- You are welcome to participate even if you have to leave before 3:30; it is helpful to arrive at the start of the shift.
- Materials are provided; you may want to bring garden gloves and a water bottle.

Our 2024 workdays include presenting a check from the Appleton Conference ELCA congregations. In addition, a Thrivent Action Team grant has been secured to purchase supplies for Riverview Gardens.
