8	5/25/2016	258	HR 5055	1128	Maloney: Amendment, as offered, prohibits the use of funds for government contractors who discriminate against LGBT employees. As amended by the Pitts amend, the Federal government must not contravene the 1st Amendment, the 14th amendment, or Article I of the Constitution as it deals with contractors. An amendment to preserve basic workplace protections for LGBT Americans. My amendment would have kept taxpayer dollars from going to government contractors who discriminate against LGBT employees. That is it. It said you cannot take taxpayer dollars and fire people just for being gay.	223 to 195 to 15	N
9	5/25/2016	259	HR 5055	1130	Byrne: prohibits the use of funds in contravention of the Religious Freedom Restoration Act of 1993, Executive Order 13279, or the ADA Unfortunately, despite our broad history of working together to protect the free exercise right, the President refused to provide conscience protections for religious-based organizations who engage in government contracting. This amendment would clarify that existing religious freedom protection already in law under the RFRA, the Americans with Disabilities Act, the 1964 Civil Rights Act, and President Bush's Executive Order 13279 would apply, irrespective of the amendment offered by Mr. Maloney.	233 to 186 to 15	Y
10	9/18/2015	506	HR 3504		Franks: Born Alive Abortion Survivors Protection Act (Sec. 3) This bill amends the federal criminal code to require any health care practitioner who is present when a child is born alive following an abortion or attempted abortion to: (1) exercise the same degree of care as reasonably provided to any other child born alive at the same gestational age, and (2) ensure that such child is immediately admitted to a hospital. The term "born alive" means the complete expulsion or extraction from his or her mother, at any stage of development, who after such expulsion or extraction breathes or has a beating heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, regardless of whether the umbilical cord has been cut. Also, a health care practitioner or other employee who has knowledge of a failure to comply with these requirements must immediately report such failure to an appropriate law enforcement agency. An individual who commits an overt act that kills a child born alive is subject to criminal prosecution for murder.	248 to 177 to 8 to 1	Y
