HARVEST

Steps or Landmarks for Harvest

- I lead a small group or an area of ministry at the church
- I regularly bring new people to church and lead others to Christ
- I commit to tithing and strategic giving

REPLANT

Steps or Landmarks for Replant

- I intentionally mentor or disciple someone else one-on-one
- I am no longer concerned with what the church can offer me, but I now commit to serving others with all that I am
- I am willing to do anything it takes to see new people come to know Jesus, even if it means sacrificing my own comfort
