

Established in 1973, the *International Conference of Police Chaplains* (ICPC) is a 501(C)3 organization providing global training to law enforcement chaplains (volunteer or paid), liaison officers, and agency administrators.

Departments, regardless of size, receive the benefits and information needed to develop and/or enhance their chaplaincy program. *Training* provides continuing education units (CEU) and equips attendees to better serve law enforcement officers, families and communities.

Available to all, our quarterly publication, *The Journal*, provides current articles and other information pertinent to law enforcement chaplaincy.

Member benefits include access to educational material and a network of support, as well as:

Lending Library—available through the Member's Only Section.

Credentialing - Members may substantiate their ongoing education by pursuing the following levels: Basic, Liaison, Senior, Master, Diplomate, and Fellow (see our Credentialing pamphlet for compliance requirements).

ICPC provides support and assistance to law enforcement agencies in establishing or improving chaplaincy programs.
