Making a Difference

Global Action International & Stronger Together Ministries

Joanne and I, as Founders and Directors of **Global Action International**, are pleased to announce that **Stronger Together Ministries**, under the direction of our daughter and son-in-law, Mark and Deborah Griffo, has partnered with us.

We believe that through this partnership it will be possible to teach and educate people worldwide how to build and strengthen their

families. In addition, Mark and Deborah have a passion to encourage and strengthen pastors and churches for **Global Action International**. Through printed material, podcasts, conferences, seminars and special events, this coming together will enhance the ministry of **Global Action International**. **Together, let's make a difference** and see what God will do as we bring strength and hope back to the families of America and the world. You can find out more information about Stronger Together Ministries by logging onto www.strongertogetherministries.org. God has good things ahead! Get ready!

SCHOOL SPONSORSHIP PROGRAMS

KENYA

When in Kenya a few years ago we met Stella. We were told that her niece died in child birth leaving orphaned twins. The twins, Joel & Faith, were put in an orphanage. Stella asked if I could go to pray and dedicate these twins to the Lord. After much thought Stella decided she should be the care taker.. They are now 8 years of age and with the help of donors we have been able to help Stella with their EDUCATION.

SCHOOL STARTS IN JANUARY
AND WE THANK YOU FOR
HELPING THESE TWINS.

GUATEMALA

Promised Land Ministries begins a new school year in January. New students need a SPONSOR. Each sponsor child is \$360 which provides education, uniform, school supplies and gym clothes. If you cannot provide a full scholarship you can help with school supplies..
