SO MANY SUFFER SO MUCH
So Many suffer so much while so
few sacrifice so little. Over
15,000 children die each day from
hunger or hunger related
diseases. We need to make a
difference in the hurting world.

Orphans at Mercy and Grace Orphanage
in India each hold a glass of milk.
Because of your loving care Global
Action International could provide milk
for these orphans.
Thank you for your prayers as I continue
to gain my strength after the accident
and surgery I had several months ago.
God bless you real good
