## Christmas in El Salvador, Guatemala, India & Mexico.

Each country, with different cultures, celebrate Christmas differently but all of those Global Action International sponsored heard the story of the birth of Christ. In India they go into a village with a surprise. Santa Claus, parading down the dirt road singing & inviting all to come. Every country shares with food, fun, games and gifts that are given to all who attend. Pastor Salvador from El Salvador wants to thank you for helping them carry out the Christmas service for people of low resources. They blessed them with food and toys and showed God's love to each.

Global Action International wants to thank you, our partners. You have helped to Make a Difference as many children & families were touched..
