

# Global Action International

*Dear Partner & Friend,*

*We are experiencing an extraordinary and challenging time. My thoughts are with the millions who have been impacted by OVID-19 from a health, economic and social perspective. Many have been affected and felt the direct impact of what our governments have instituted.*

*We want to write and let you know that during this difficult time we are praying that every need shall be met in your life. With the situation in the United States and most countries of the world we are reaching out to encourage and help with the needs of those who are struggling. Because of the situation we ask for your prayers for those who are struggling in the United States and likewise those who have shared with us many of the needs in the nations. We thank you for all you have done and are doing to make a difference in the world. Please know that we are praying for you and we invite you to let us know of any prayer requests that you may have so we can join with you and that you may see the victory in your life. (email - [dlee@gobalactionintl.com](mailto:dlee@gobalactionintl.com))*

*May the words of this song I wrote many years ago give you peace, knowing God is in control.*

*Jesus Hears and Answers Prayer, Cast on Him your every care.*

*He will meet your need this hour, by his Almighty Power.*

*When the Storm clouds hover low, He will cause them all to go.*

*If you take it to the lord in prayer.*

*Dwaine E. Lee*
