Making a Difference

UPDATE from Okeunyi Orphanage & Destiny Development Center, Aba Nigeria

All have been affected by the COVID19 pandemic which has put a strain on resources everywhere, medical, financial, educational, emotional, social and more. During this time we have just received report from the school and orphanage you helped to build. [Read below.](#)

Orphanage Farm -- Alba Nigeria West Africa

Three years ago, through your generosity, we were able to purchase over 10 acres of land for the expansion of the Orphanage and for farming to grow our own food. During this farming season we cultivated the area and planted corn, cassava, and yam. Farming is done manually here so it takes much time and labor as we develop a large farm.

In April we visited the farm to check on the crops we had planted. To our shock, they had all been destroyed by an unknown group of people. When hearing the story the children at the orphanage and school started crying. They have reported the matter to the Police but with the lockdown in the City, they cannot make any arrest.

OUR BIBLICAL MANDATE

Is it not to share your food with the hungry and to provide the poor wanderer (refugee) with shelter, when you see the naked to clothe him...if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed the Lord will guide you always. He will satisfy your needs....and strengthen you.”
Isaiah 8:6-11
