

Because of You

Health, Nutrition, Shelter and education are breaking the cycle of poverty.

Because of you

the next generation of lives and communities are being transformed as we feed, shelter, educate and give medical assistance to abandoned, neglected and desperate children who have been tossed aside.

Because of You

children and families have been given hope with a sense of self-worth and potential.

Children are fed

Children are educated

Children have shelter

Children given medical assistance

agriculture for food

fresh-pure water given

You make it possible

Because of you : Recent projects where you are making a difference.

* Children in the Nigerian orphanage received support for food after their provision from the farm was ransacked.

* Double the amount of food needed was donated for affected Guatemalans due to the Covid-19 virus.
