

### **Blue Christmas**

Please join us on Sunday December 18th at 6:30pm for a quiet and contemplative Christmas worship service. Our Blue Christmas service is a space to acknowledge the “blue” feelings that can accompany this holiday season. At Christmas, we can feel a pressure to hide our loneliness and sadness and "be of good cheer" 24/7 through the month of December. Christmas is not about covering up our pain and grief, but of finding hope and healing even in our mourning. This service will honor the grief and the struggles that can accompany the darkest nights of the year.
