

E-Note for January 23, 2025

Friends in Christ,

I am pleased to announce that All Saints has a new way to engage with our worship digitally!

Our sermons will now be available anywhere you listen to podcasts. Just follow "Sermons @ All Saints NYA" on Apple Podcasts, Spotify, Amazon Music, iHeart Radio, Listen Notes, or Podcast Index and you'll never miss a sermon. If podcasts aren't your thing, there's a link on our website where anyone can listen. Now you can hear my bad jokes on your drive, while you fold laundry, do dishes, at the gym...wherever!

For those of you who are missing our video format, we are working our way back to making this available for you. We have a few things yet to straighten out. We have not abandoned this form of digital ministry! Thank you for your patience while we find the best way to get our videos back online.

Are you a techy person who would be interested in volunteering to make our technology go? Please reach out to me! I'd love to find a way to connect your passions with this growing need in our community.

Peace of Christ be with you,
Pastor Matt Schroeder
