**Affirmation of Baptism
(aka Confirmation)
2025-2026
“New Testament” Year**

A.O.B. IS NOT SCHOOL! THIS IS NOT EXTRA HOMEWORK! YOU CAN NOT “FAIL”!

Confirmation is an affirmation of what was said over you at your baptism. This is not the end or the culmination of study. This is an intentional step forward on your walk of faith which will twist and turn throughout life.

Through this three-year program (Old Testament year, New Testament year, and Catechism year) you will grow in your understanding of the foundation and practices of our faith. In this way you can become more confident in your personal faith and understand your place in the body of Christ and your individual call to serve God’s people.

Faith formation doesn’t happen within the walls of the church alone. These things take place at home, in service out in the world, and in your relationships to your neighbor. Not all learners absorb information best by listening to a lecture. Some learn by doing, some learn by moving, some learn by reading, some learn by asking questions. For these reasons, our Affirmation of Baptism (aka Confirmation) curriculum uses a variety of teaching approaches, a variety of settings/group sizes, and a variety of learning opportunities.

Large group nights:

On large group nights, from 5:30-6:00, all students and guides will gather in the sanctuary to learn about that night’s topic. After our group lesson, from 6:00-6:45, the students and their guides will break into small groups to discuss the lesson, share their highs and lows, and plan the upcoming small group night.

Small group nights:

The purpose of small group nights is to bond as a cohort through service and fun! The time, place, and activity for these nights is completely up to each small group. You may choose fun activities, service activities, or a mix of both.
