

E-Note for
January 15, 2026

Friends in Christ,

Christmas is now in the rearview and we have entered the season of Epiphany. The season of Epiphany is one of the most ancient celebrations of the church (only behind Easter). The season of Epiphany begins with the celebration of the Magi's visit (Matthew 2:1-12), which signifies the revelation of Christ to the Gentiles. This event highlights that Jesus is not just the Savior for a select group but for all humanity.

Epiphany is a season of revelation and invitation. Like the star that guided the magi to Christ, we are invited in this season to witness the light of Christ breaking into our world and continue to seek him. This season also invites us to ponder how we are sharing the light of Christ and reflecting it wherever we go.

Epiphany is the season of light and, to help us reflect on these themes, we started this series on January 11th (Baptism of our Lord Sunday) that will take us to February 15th (Transfiguration Sunday). Join us as we consider how we can be better bearers of this light in our communities, shining hope and grace in the darkness.

The light of Christ be with you,
Pastor Matt Schroeder
