Adopt a Family That was Affected by Memorial Day

Tornadoes this Christmas During this season of giving, we often look for ways we can reach out to our neighbors and friends who may be struggling. This year, thanks to the organizational efforts of Sam Dewey, we would like to offer the opportunity for congregations to adopt a family that has been affected by the recent Memorial Day Tornadoes. We will be working with the Trotwood Madison School and the Trotwood School systems to coordinate this outreach effort. More information can be found on the district website, or contact your pastor or church office.
