## Southern Ohio/Kentucky District Conference

October 8 & 9, 2021

Theme: “Move in Our Midst, Thou Spirit of God”

This year's conference will again be all virtual. Because of the planning time needed, and the uncertainty of circumstances when planning began, your Program and Arrangements Committee again made the difficult decision to hold our conference using the Zoom platform.

Friday workshops will be led by the District Racial Justice Commission, the District Climate Justice Commission and by Zach Spidel and Susan Liller about Jesus in the Neighborhood. An afternoon session will explore how the Spirit is moving in our midst through all three of these district ministries. CEUS will be offered for all 3 workshops. A complete conference schedule, business items, and reports have been posted on the district website. Registration is now open online. All attendees must register to receive your zoom participation link.

### Move in Our Midst

An Invitation to Participate

To date 69 persons have donated or pledged \$25,870 of a \$50,000 goal.

**"Teach us to love with heart, soul and mind."**

*"When I think about the hymn "Move In Our Midst," I remember singing it in my home church from the time I was very young, learning the alto part before the melody because that's what my mom always sang along with my dad singing bass. I remember the first time I sang it at Annual Conference a cappella, and the amazing chills I felt as I was surrounded by that awesome harmony from 3,000 other Church of the Brethren members. I remember singing it with my seminary women's spirituality group for a beloved friend, Bob Faus, who was in the hospital in the last days of his life here on earth, mostly sleeping. Our group was able to cover soprano, alto, and tenor, and as we sang it wasn't too long before we could hear Bob humming the bass part with us. Bob shared his love and music with us right up to the end.*

*"Music has a way of bringing people together. It's one of the beautiful things that I'm glad we can hold on to, despite our differences. As a church, we are divided in so many ways, yet music allows us to sometimes be in unison, to experience the sweet harmonies, and be challenged by the complex dissonances that keep things interesting. In the third verse of "Move In Our Midst," the text is "Teach us to love with heart, soul, and mind." Music offers us a great example of following this great commandment. As a church, as people of faith, we are called to love, and we are called to sing together: "Spirit of God, thy love makes us strong." --Reflection by Pastor Barb Saylor*

- There are many issues and situations continuing to face us as we minister in our respective locations, including those who are serving in interim situations and others who are in discernment regarding placement or are considering a move. There are others facing health issues, please keep these situations in prayer.

Please contact me if you know of prayer situations of which I should be aware. May we lift each other in prayer as we work to continue the work of Jesus, peacefully, simply, together.
