Announcing...

The Camping and Retreat Ministries will host a retreat for the women of the district to be held **VIRTUALLY** on Friday, November 5 and Saturday, November 6.

Our theme is "What Brings You Joy!" In our current day to day life filled with restrictions, worries, concerns, health issues, and problems, we will be taking time out to look for the places we find joy.

We'll begin Friday...

At 7:00 P.M. we will meet to spend some time connecting with others using ZOOM. Our guest leader will help us find joy in scriptures that should lift our spirits. Breakout rooms of small groups will be set up to give us time for sharing in a more intimate place. Of course there will also be fun with some jokes, stories, singing, and a few surprises. We should be finishing the evening by 9:00.

Saturday...

It's a full day with some twists. Morning Watch will begin our day at 9:00, as soon as we all log-in to ZOOM. An inspirational craft will further guide us in finding joy. A scavenger hunt is planned to get us all up and moving around. Another short session on joy will be followed by small group sharing. Closing out the morning around 11:30 will be a communion service.

Optional...

Saturday, after eating lunch, anyone interested in going for a fall walk can gather at the south parking lot of Englewood Metro Park off Aullwood Road for a stroll through Mrs. Aull's Gardens. We will be outside for the walk which has clear paths, wide spaces, and natural beauty that Mrs. Aull cultivated over many years. Maybe we will find some little joys as we experience God's fall handiwork.

Service Project

We will be supporting the Trotwood Church of the Brethren in hosting the "Homefull" food truck. It brings in fresh foods and meats to the citizens of Trotwood who live in a "food desert." Our support will be used to purchase gift cards that people can use to help pay Homefull for their food.
