

**He has shown you,  
O mortal,  
what is good.  
And what does  
the Lord  
require of you?  
To act justly  
And to love mercy  
And to walk humbly  
with your God.

Using the resources God provides through your generosity to . . .

## . . . Act Justly

### Empower emerging ministries

**The Racial Justice Team** seeks to raise awareness among members of the district about issues of racial justice and call us to action through education, relationship building, and advocacy to bring about healing and wholeness in our community.

### The Climate Justice Task

**Team’s** purpose is to provide opportunities for Church of the Brethren members and congregations to engage in conversation about how we can become better stewards of Creation, through retreats, webinars, workshops and worship resources.

## . . . Love mercy

### Empower Existing ministries

**Disaster Ministry:** Whether they are assembling School Kits, Clean Up Bucket Kits, or sponsoring teams which travel around the country to help folks build or repair homes following a natural disaster, Brethren Disaster Ministries extend a compassionate hand to those who are suffering in our neighborhoods.

**Camping and Retreat Ministries** provide year round opportunities for all age groups to form lasting friendships, learn brethren values, and experience God’s love. The Zoom platform has been an advantage for presenting virtual camps and retreats during the pandemic. In-person gatherings will resume when it feels more safe

## . . . Walk humbly

### Empower congregations

- ◆ Congregations may seek a grant from the district for the purpose of providing financial support for the development of new, or expansion of existing, missional efforts
- ◆ Our District is privileged to come alongside our congregations during pastoral transitions. Our District Executive spends many hours in prayer, researching profiles, visiting with congregational leadership during these times.

### Empower leadership

- ◆ SOKD assists our leader’s commitment to lifelong learning through our Grant program. Leaders may apply for a grant to participate in training which they believe will enhance their leadership role.
- ◆ Our Resource Development Commission offers our leaders training in Stewardship Development at the local level.
