

## Small Group Ministry – End-of-the-Quarter Evaluation Form

---

Group Name: \_\_\_\_\_

Your Name: \_\_\_\_\_

One of the best ways to improve any group is to evaluate it! Tonight you have the opportunity to assess both the strengths and the weaknesses of your particular group. The questions below will help you think through different aspects of your group life. Please answer them *thoroughly* and *honestly*.

### The Group

One of the things I've enjoyed most about being in the group this quarter is:

Are you happy with the amount of time we spend each week in:	Yes	No	Comments
Discussion			
Study			
Prayer			
Worship (if applicable)			

Is the length of the meeting appropriate? Yes \_\_\_\_\_ No \_\_\_\_\_

Please explain.

How have the group discussions gone? Is everyone who wants to share able to share? Are there any people or issues that quell the discussion?

Please explain.

Do you have any suggestions for improving the meetings?

### My Plans

For the next growth group session, I'm planning to

1. Remain in the same small group.
2. Try a new small group.
3. Take a break from small groups.

## Homework

What do you like most about the discussion material?

What do you like the least?

If you could change just one thing about the discussion material, what would it be and why?

The amount of discussion material is

1. Just about right.
2. A little too much.
3. Not quite enough. *Please explain.*

## My Leader

One of the things I appreciate most about my small group leader is:

If your leader asked for advice on whether he or she should talk *more, less, or exactly the same* during your meetings, what would you say?

Is there anything your leader could do to make your meetings even better?

## My Host

One of the things I appreciate most about our group's host is:

Is there anything your host could do to make your meetings better? (Seating arrangements, lighting, temperature, refreshments, socials, etc.)
