

200 YEARS OF FAITHFULNESS

In November of 1821, Mathew Gardner, a circuit preacher, and 14 others organized a Christian Church in Bethel, Ohio. Over the next year, as we approach the celebration of that anniversary, we're going to bring you monthly tidbits of some of our church history. So--watch for them!

We've scoured our church records, searched online, delved into Clermont county genealogy and historical documents, and mined the memories of some of our elder congregants. We tried our best to get things right, but we are sure there are errors and omissions. If you catch one, please let Terry Moore know, and we'll make her fix it!

In 1948 we purchased our first bus for \$400.

In 1951 we banned smoking in our buildings and on our grounds.
