

# 200 YEARS OF FAITHFULNESS

***This congregation*** has always seemed to produce "Timothy's"; Men and women who grew up here and went on to serve God in full-time professions.

There have been preachers (and preacher's wives), worship leaders, youth ministers, Christian musicians, missionaries, and founders of Christian organizations.

This congregation has supported several of them financially through their Christian educations, ordained many of them, and offered help and support in their efforts.

We couldn't find records for all we know who exist so we've had to rely on partial memories and fragmented documentation. So, we decided not to try to list them all. Instead, we bring you a sampling of our "Timothys".
