

The Cynthia E. Morgan Memorial Scholarship Fund

(Deadline: Application Entry MUST be postmarked on or by February 25th)

What is it?

This scholarship was established in 2005 in the name of Cynthia E. Morgan, who passed away in October 2004 after a courageous, but all-too-brief, fight with stomach cancer. It has been established in an attempt to aid select college students in paying for their post-secondary education. This year's scholarship is set at \$1,000.

Who is eligible?

In order to qualify for this scholarship, the applicant must meet ALL of the following criteria:

- Must be a current resident of the state of Maryland;

- Must be the first person in his/her immediate family who will be attending a Maryland accredited post-secondary school (as defined above). "Immediate family" is defined as consisting of direct family lineage, such as brothers/sisters, mothers/fathers, and grandparents on either mother's or father's side.
- Must be planning to enter a medical or medical-related field. Medical or medical-related field shall mean the professional work of a duly licensed medical practitioner; this includes, but is not limited to, nurses, laboratory scientists, pharmacists, physiotherapists, speech therapists, occupational therapists, dietitians and bioengineers. This does not include administrative services such as secretarial or sales careers.
