“In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams.”

- Acts 2:17

## Psalm of Trust

One of the most gratifying pleasures I have, as a district superintendent is the privilege of being with a congregation in the official welcoming of a new shepherd. The Psalmist David proclaimed, "Lord, You are my shepherd; You make me to lie down in green pastures. You lead me beside still waters."

Perhaps nowhere in scripture do we feel more 'at home' than the book of Psalms. We so identify with David's deepest sense of trust in the Lord's protective care. Psalms 23 renews our confidence in the goodness of God, in His mercy, and in His interest in us. It's a Psalm that proclaims confident faith in our Shepherd.

Several years ago in my second pastorate, I found myself in desperate need of knowing in the most personal sense of the word that the Lord was my shepherd. It's one thing to preach it, and encourage your flock to believe it, but another thing to know in your heart, at the core of who you are that the Lord is your shepherd. As the profound truth of this 'Psalm of Trust' found it's way into my heart and mind, the Holy Spirit anointed me with a series of messages that helped in a significant way to bring healing to my spirit, and is still a series that I receive comments about these many years later.

A real shepherd has his whole life taken up with the care of his sheep. The shepherd meets the needs of his sheep in a variety of ways, providing them with food and water, touch and care, protection and comfort. But, the most profound provision of the shepherd is his presence. The Psalmist proclaims in verse 4, "I will fear no evil: for thou art with me!" The Lord's presence makes all the difference in our lives. In the most difficult hour, we can know with assurance that he is with us. In trials, family and friends can only accompany us so far, but God has promised that he will never leave us nor forsake us. He is there in the dark ravine where unknown danger lurks.

In Exodus 33:15, Moses, in a declaration of his trust in God said, "If your presence will not go with me, do not bring us up from here. For how shall it be known that I have found favor in your sight, your people and I? Is it not in your going with us?"

How can we pray any more significant prayer to God than to request His presence go with us? There is little forward progress without His presence. At least, no enduring progress without his presence. I want to encourage you, inspire you, to see again and believe with your heart that the Lord is Your shepherd. He will feed you, guide you, be your constant companion, set a banquet table for you when you feel famished, and always, refresh you with His presence.

It is my prayer for you, especially those entrusted with shepherding a flock, that you need a shepherd. His name is Jesus. He's walking with you, and guiding you, and His presence is making all the difference. Trust and rest. His presence is with you.

## Women in Ministry

We are very blessed in the Arizona district to have 203 credentialed women in ministry, which is 27 percent of all the credentialed ministers in Arizona. We have a total of 395 ordained, 247 licensed, and 123 certified. This year, we have 93 who are newly credentialed or upgrading their credential level, six of which are serving as lead pastors.

The message of redemption has been carried to remote parts of the world through the ministry of dedicated, Spirit-filled men and women. A believer's gifts and anointing should still today make a way for his or her ministry. Supernatural manifestations and gifts of the Holy Spirit have played a distinctive role in the origin, development, and growth of the Assemblies of God. Since the earliest days of our Fellowship, spiritual gifting has been evident in the ministries of many outstanding women who pioneered and directed a wide spectrum of ministries. All spiritual gifts are given for service without regard to gender.

The New Testament shows that women filled important ministry roles in the early church. This is true today as well, and we affirm the call of God and celebrate the many ministry roles that are filled by women in the Arizona district. The Great Commission to "go and make disciples of all nations," (Matthew 28:19) requires the participation of all God's Spirit-gifted ministers, both men and women.

It is wonderful partnering together with you in building His church. Jesus said in Matthew 16:18, "... I will build my church; and the gates of hell will not prevail against it." He had a great idea in using the church to reach the world with the good news.

## “Live Dead!”

Today I had the privilege of visiting with one of our missionaries who is a part of the “Live Dead Arab World” endeavor. This is a project with the mission of planting churches in churches in 33 gateway cities in North Africa and the Middle East.

Regional Director for Eurasia, Omar Beiler, writes:

“The 44 countries and territories of Eurasia are made up of more than 4,400 unreached people groups (UPG). Hundreds of millions have never heard the good news of Jesus – not even once. It is our mission to reach them. Our Big Dream is to proclaim the gospel and to form and strengthen faith communities in Eurasia. Live Dead Arab World is our answer to the challenge of establishing the church among the 300 million Arabs in our region. Will you join us?” (For more information go to [www.live-dead.org](http://www.live-dead.org))

Live Dead is timeless and universal. It is the crucified life, the “I die daily” of Paul, the death to self that unbroken generations of Christ followers from all cultures have faithfully lived. All who bear the name of Jesus are called to put His passions and priorities above their own needs and comforts. We all are to live dead.

Dick Brogden writes in “Live Dead the Journey”:

“To live dead is to journey. It is not momentary heroism or occasional folly; it is a life dedicated to following Jesus – not matter the cost. We are not the first to embark on this journey; we follow in the footsteps of Paul, the Celts, Franciscans, Moravians, Carey, Taylor, Elliot, Townsend, McGavran, Winter, and thousands of colleagues from the Global South. No, we are

not the first but we very well could be the last. If we are joyfully willing to pay any price (to live or die) that Jesus be glorified by every people everywhere. Then the end shall come.”

As I visited with missionary Travis my heart was inspired by what he was sharing with me. Many college students and Chi Alpha members are volunteering to “give a year and pray about a lifetime” in the Live Dead countries. These new missionaries will go out as MA’s and need our support. As they contact you please give them an opportunity to share their heart with you and support them. These are new missionaries with a new creative approach to taking the gospel to the Unreached People Groups of our world. Many of these UPG’s are in the major cities of our world.

Live Dead is a very intentional effort to preach the gospel of the Kingdom among every nation that the end may come (Matthew 24:14).

## Fine Arts 2013

Fine Arts is quickly approaching on April 13th, 2013 at Phoenix First Assembly. I encourage you to come out and see our students glorify God with their gifts. This is an incredibly talented generation that God is setting up for Kingdom purposes. I believe we've only seen a glimpse of what God has in store to redeem the arts for His sake. Fine Arts exists to help students discover, develop, and deploy their ministry gifts. I believe our fellowship has traditionally done a great job with the first two aspects, but we can tend to lose focus on deploying our gifts for effective ministry.

I see God opening doors to utilize our ministry gifts in our churches, campuses, and communities. God gave us ministry gifts for ministry. Our culture is on the verge of another renaissance, in search of their Creator God. As we redeem the arts for Jesus, God will open doors to share the hope we have in Him.

I hope you will pray with us and think of creative ways to invest in students participating in Fine Arts, helping them deploy their gifts through special services, campus clubs, or outreaches. We're asking leaders to show students how to focus on the altar rather than the stage; that the greatest platform of all is ministering to those who have yet to encounter our Lord and Savior, Jesus Christ.

I look forward to seeing you at Phoenix First Assembly, supporting our Arizona youth!

## Thank You for Your Help!

Light for the Lost is an invaluable part of our ministry. As churchplanters, we know how LFTL literature has helped many people find Jesus. A short time ago, a young woman came to our church as a result of reading the Book of Hope. Two weeks later, she gave her life to Christ and now she serves in ministry to the youth in our church! We are strong believers in Light for the Lost. It helps us reach more

people for the kingdom of God than we could ever reach alone.

Thank you, LFTL!

At Granite Hills Retreat & Conference Center we are getting ready for our busy seasons. This year we have more events than ever before, so we are very excited about that. I believe this year will be a blessing to more people than any other year due to the conditions of our state and country.

Here at Granite Hills, we will welcome Cottonwood First Assembly volunteers who will come and remodel the old Gresset cabin. This will be such a blessing to us and all the people that will be using this cabin. We will be putting in all new windows, new beds, new paint inside and out, new flooring and a new water heater. Thank you Cottonwood First!

We would love to have your church come and take on a cabin to remodel. There are several that need to be remodeled or rebuilt. Talk to your church about getting involved in local missions and give me a call to find out what you can do to help support Granite Hills, YOUR camp grounds.

The camp staff and Marceen and I are very excited about this summer with our new District Youth Director Griffin McGrath and Children's Director Karla Rodriquez. We know great things will be happening here at camp this summer. I am looking forward to seeing all the youth and kids along with the Pastors and dorm leaders.

## Intercultural Ministries of Arizona

### Celebration of Joy

During 2012 Belinda and I have had the opportunity to celebrate with several of the ethnic congregations as they rejoice in the freedom of worship and praise unto the Lord. In 2011 we celebrated the two newly formed African and Burmese churches who continue to flourish. Within their congregations they have been able to reach out into their respective communities evangelizing and winning their people for Christ. The English as a Second Language ministry (ESL) has experienced growth in opportunity to serve unreached language groups who have made Arizona their home. US Missionaries Glen and Peggy Gray are giving great leadership in presenting the message of Christ to language groups who are hearing of the saving grace of Christ for the first time in their lives.

### Celebration in Ministry

This year has been a productive year in celebrating with various ministries throughout Arizona. Native ministries such as our Churches, camp meetings, Native/Pastor Board Retreats and fellowship meetings are experiencing the blessings and move the Holy Spirit in the gatherings.

The Ethnic congregations continue to celebrate with great joy in experiencing the freedom in Christ. Several of the pastors we minister along with are church planters, and as their congregations have grown numerically, the members themselves are ministering both within their language and culturally. This year, the newly formed Burmese congregation located in the greater Phoenix area, conduct all services within their language. They are experiencing salvations, healings, water baptismal and the move of the Holy Spirit. Additional Ethnic congregations are expressing interest in coming into the Arizona District. During 2012 the Arizona District has been given the opportunity to serve along the side of an Arabic, East Indian, Ehtiopian and Filipino congregations. What great opportunities we have to reach the world.
