In Focus ... 2012 Ordination Candidates

District Superintendent

On Sunday, June 3rd, my husband and I had the rare privilege to celebrate with a church marking their 100 Year Anniversary! The church was Bisbee First Assembly of God in Bisbee, Arizona. Being the dreamer that I am and knowing the historic setting of Bisbee, I sat in that morning service and in my mind traveled back in time and thought about the founding of the church 100 years ago. It is a modest sanctuary, a holy place, set aside for worship. There was a cool breeze blowing through the open windows and the strains of a loved old hymn, "In the Sweet By and By" filling the air. I felt transported to another time in another age and I envisioned those first pioneer pastors, sacrificing and coming with purpose to establish this Pentecostal church in 1912.

At one time, Bisbee was the largest city between St. Louis and San Francisco. Founded in 1880 and nestled in the mile-high Mule Mountains of Southeastern Arizona, 90 miles from Tucson, Bisbee was a booming mining community with one of the richest mineral deposits in the world. It bustled with miners, shopkeepers, questionable nightlife, and even its own stock exchange. The Gold Rush was on and Bisbee's mines were yielding gold, silver, copper and other precious metals. The population swelled to 25,000 during these early years of existence.

Several churches were in place, but a Pentecostal body of believers was not established until 1912. Rev. John Eiting, along with his wife, Elizabeth came to Bisbee from Keokuk, Iowa, because of her health in 1906. They held services and then his brother, Rev. Fred Eiting came to preach and several were saved on New Year's Eve 1912, and the church in Bisbee was birthed. On March 30th, 1913, a group of new converts were baptized in the St. Pedro River near Hereford, Arizona. Bro. John Eiting felt the calling to be their pastor and was appointed by the people.

So the story began. In the last 100 years, at least 28 people have served Bisbee First Assembly as pastor. Among them are Pastor Ralph Hilton, W. Popejoy, Jerald Morris, Carl Miller, Jerry Pence, Robert Allen, David McLane and current pastors, Thomas and Lisa Holley. In 1951, Phelps Dodge Mine needed the property where the church was located and at that time, the Phelps Dodge company leased the current property on Old Douglas Road to the congregation in exchange and in September 1951, Rev. Gertrude Jones came to Bisbee and oversaw the construction of the current First Assembly of God church.

So, on this Sunday morning, June 3rd, 2012, it is an awesome experience for Steve and I to represent the Arizona District in the celebration with Pastor Holley and congregation of Bisbee First Assembly in this most profound milestone of 100 years of existence. To my knowledge, as of this writing, Bisbee is the oldest established Assemblies of God church in Arizona. We praise God for His faithfulness to build His church and for these 100 years of ministry to Bisbee and it's residents.

DISTRICT AFFILIATED CHURCH – PASTOR/BOARD MEETING

In an effort to more efficiently assist Arizona District Affiliated churches, the District Presbytery Board is updating the bylaws and implementing an Operations Manual for District Affiliated Churches which will provide guidance for the daily operations of the district church.

To give explanation in implementing these in the church, the Presbytery Board has asked that all district affiliated church pastors and their advisory council attend a meeting of their choice this summer. For convenience purposes, three locations have been scheduled. They are as follows:

August 18, 2012 – from 9 a.m. to noon at Harvest Church in Glendale

August 23, 2012 – from 9 a.m. to noon or 5 p.m. to 8 p.m. at Victory Worship Center in Tucson

August 25, 2012 – from 9 a.m. to noon at First Assembly of God in Flagstaff

Registration information is available online or by contacting Leann in my office at the district office. You are welcome to email Leann at lrogers@azag.org.

An invitation to attend either of these meetings is also extended to any General Council church as well. Any church which has plans to update their bylaws or church policy manual will find this meeting extremely beneficial.

MINISTERS CANYONEERING ADVENTURE

The next Ministers Adventure is scheduled for August 12-15, 2012. Zion National Park is the site for this exciting adventure. We plan to meet Sunday night at First Assembly of God in Page, and leave for Utah at 8 a.m. on Monday, August 12th.

The camp site where we will set up camp is at Watchman Campground. Ministers are encouraged to bring their camping gear along with their own food for camp-site cooking. Restaurants are nearby for those who may not have developed a taste for their own cooking!

Optional activities will include hiking, repelling, mountain biking, and fishing.

Although there is no registration fee, we do ask that you let me know if you plan to join us on this canyoneering adventure. To sign up, please contact Leann in my office at lrogers@azag.org.

It is wonderful partnering together with you in building His church. Jesus said in Matthew 16:18, “... I will build my church; and the gates of hell will not prevail against it.” He had a great idea in using the church to reach the world with the good news.

Assistant Superintendent

Greg Mundis, Executive Director for Assemblies of God World Missions, recently laid out the state of missions with the following introduction:

"As we approach the 100th anniversary of the Assemblies of God, this is not just a time to reflect on what has been done in the past. Even more, it is time to take action in what ways God wants to use us in the coming years."

The apostle Paul said in 1 Corinthians 16:9: "A great door for effective work has been opened to me, and there are many who oppose me."

"We are at that door. Opportunities for effective ministry are before us, but there are challenges in finances, personnel, politics and religion that would hinder or even stop us. Yet as we walk in obedience to the Lord and His Great Commission, these challenges and hindrances can and will be overcome for the glory of God." (Greg Mundis)

The Assemblies of God is indeed overcoming the challenges we face. The latest statistics tell us that the Assemblies of God worldwide comprises nearly 1% of the world's population.

- 1 new believer is added every 14 seconds,
- 1 new church is planted every 45 minutes
- 1 new minister is trained every 50 minutes; all this through the ministry of the Assemblies of God.
- Another interesting statistic is that 5487 missionaries are sent by the World Assemblies of God Fellowship from 79 countries.

What you as a church are doing for missions is bringing phenomenal results and we have only just begun. The next hundred years, should the Lord tarry, will experience a mighty harvest as

a result of the seeds that are being planted.

What can you as a church do? We have been encouraging you to schedule a Missions Convention or emphasis to make your congregation aware of what is happening in today's World of Missions. There are great materials available with the new theme "So all can hear"; a great music video with songs that can be used individually or as a musical (this can be viewed at www.missionsmusic.com) ; various pamphlets, bulletins & power points; and some great "Faith Promise" material. If we can be of any help please don't hesitate to contact me.

One of our goals in the Arizona District is to constantly resource our churches and pastors to take their congregations to the next level. This fall, November 12th and 13th, we will be conducting two Missions Workshops one in the West valley at Harvest Church and another in the East valley at Celebration Church. Presenters will include Omar Beiler, Eurasia Director; Benny Ferguson, Missions Awareness Facilitator; and David Reddout, Gulf Area Missions Awareness Director. These will be fast moving presentations to equip pastors and missions leaders to more effectively communicate and raise awareness for missions. Some of the latest sensitive information concerning what God is doing around the world will be shared. The workshops will begin at 9:00 in the morning and conclude at 3:00; Brian Warwick will be our chef for the noon luncheon. PLEASE MARK THESE DATES ON YOUR CALENDAR. REGISTRATION FOR THIS EVENT CAN BE DONE ON LINE AT WWW.AZAG.ORG, WE ARE REQUESTING \$10 TO COVER THE NOON LUNCHEON.

Philippians 4:19

"And my God shall supply all your needs according to His riches in glory by Christ Jesus."

Since my last column, we celebrated the graduation of the Class of 2012. Will we miss each one? Certainly. But every member of the faculty and staff are thrilled at their accomplishments; we will be cheering them on in the years to come. No doubt each new alumnus will distinguish themselves in their ministries or chosen careers.

We are delighted to hear that two alumni earned doctorates this year. Debi (Lee) Tom ('95) received her Ed.D. in Educational Leadership from Arizona State University on Friday May 4th during the morning graduation services. That evening, Debi served as our special graduation speaker here at AIC. In addition, she received the honorary Sigma Chi Pi (Assemblies of God Honor Society) Award. Debi is an educator in New Mexico where she and her husband, Stanley, are also in pastoral ministry.

Jason Bryant ('97) received his D.Min. from Gordon-Conwell

Theological Seminary in Massachusetts. Jason, his wife Demetria, and their six children live in Arlington, Washington. Jason teaches at a Christian school and is an ordained minister with the Pentecostal Church of God.

I am grateful to Superintendent Harris, for the invitation to our worship team, to lead the worship during one session of the 2012 District Council. If you were in attendance, you received a taste of the kind of worship that occurs at AIC on a regular basis. God is at work among us!

We eagerly anticipate the arrival of the Class of 2016 in just a few weeks! The mission continues. Thank you, Arizona District! Your financial support and your prayers have made it possible for a new class of emerging leaders to take their place in the church, the classroom, and the marketplace.

Psalm 27:14

Dear Arizona District friends,

This summer, Arizona Chi Alpha students are headed to all points of the globe on short-term missions trips. Destinations include far-away places like Austria, North Africa, South Africa, Japan, Cambodia, and Alaska. Thousands of dollars have been raised, plane tickets have been purchased, and students have logged hundreds of hours for Jesus on the field this summer.

A team of six students from Northern Arizona University spent a week on the Yukon River as coaches at Camp Agaiutim Nune, an Assemblies of God youth camp there. The camp is accessible only by river, and serves four remote villages. The NAU students joined 12 students from North Dakota State University and spent the week pouring into kids. They stayed with them in the tents that serve as dorms, played games with them on the Mosquito Field, and prayed with them at the altars during the evening services. Several kids committed their lives to Christ, and several were filled with the Holy Spirit during evening services. The daily rain, cold temperatures, and large mosquitos made the trip physically challenging, but spiritually rewarding.

As our students watched the kids load their boats to return to their villages, they wondered if one week encountering God at camp would be enough to counteract all the negative influences in their homes. They return to homes filled with drug and alcohol abuse, as well as physical and sexual abuse. Pray for the kids - Kaylynn, Daisy, Charlie, Travis, Caitlin, Evelyn, and Jason, to name only a few. Pray for workers to go to the remote villages to take the Gospel there. The harvest is plentiful, but the workers are few.

Join us in praying for the remaining teams going out to Cambodia and Austria later this summer.

Be blessed,
Ryan Ribelin

It's an Exciting Time

Rev. Russell Begay, Chairman of Ethnic America Network, published the following article on October of 2008. "What an exciting, as well as challenging, time for ministry by the local church! Because of recent changes in immigration patterns, Great Commission opportunities now abound in this country. One in eight people living in the United States today is foreign born. In addition, one in five people five years and older speaks a language other than English at home. In Urban American, it is no longer unusual to meet Muslims, Buddhists, Hindus, and others on a daily basis. Interaction with these newer residents provides the church with a strategic ministry opportunity."

What about Arizona?

In 2000 13% of Arizona's total population was foreign-born at over 70 different language groups. Recent information provided by Arizona DES, Refugee Resettlement Program, has estimated 100 nationalities living in Arizona. To state a few there are 1,741 Afghans, 4,884 Cubans, 719 Russians, and 10,507 Vietnamese residing in Arizona from 1980-2011. I believe, for such a time as this, God has sent the foreign-born nations of the world to us. It's our opportunity to reach-out to a nation of people group who may for the first time hear of Christ as their Savior. "It's an Exciting Time."
