## Other Amenities

### Restrooms

- Each level has a Men's and Women's restroom; the Main Level also has an All-Gender/Family restroom

### Accessibility

- Mobility Impairment: the accessible entrance is located on the south side of the Lower Level; an elevator and ramps are available to facilitate access for wheelchair users to all levels of the building; accessible stalls are available in each restroom
- Hearing Impairment: Devices for hearing-impaired persons are available; groups who wish to employ sign language interpreters may provide these personnel for events (King Avenue can provide a recommendation for interpretation services but does not provide interpreters.)

### Sound System

- Microphones, a sound board, and microphone stands can be provided for the Sanctuary and Fellowship Hall; groups must either utilize King Avenue personnel\* or provide their own technician.
- Any outside technicians must meet with the Building Manager prior to the event to be given access to the equipment pending approval.

### Greeters/Ushers\*

- King Avenue may be able to provide personnel for greeting prior to events as well as ushers to assist during events; these services are provided for events in the Fellowship Hall, Sanctuary or Parlor only.

### Flowers

- Flowers for the altar can be ordered for events in the Fellowship Hall, Sanctuary, or Chapel. (King Avenue recommends Green, A Floral Design Studio in Grandview, but does not provide flowers.)

### Additional Parking\*

- Parking for the building is in the two adjacent lots located on the west and south sides of the building; if additional parking is desired, the lot located on Pennsylvania Avenue may be utilized for an additional donation

\*Provided by King Avenue, dependent upon availability

Reservations are based upon availability and a donation is accepted for use of the space. Please contact [amy@kingave.org](mailto:amy@kingave.org) for more information.
