

HS Supply List 2020-2021

- Student planner with monthly and weekly spread
- Pens and pencils, several of them
- Small pencil sharpener if they have ordinary pencils
- 7 paper folders, one for each class.
- 2 1" to 1 1/2" binders (Please do NOT buy 1 large binder for all syllabi)
- 2 packs of lined loose leaf notebook paper. We will be using this instead of spiral bound notebooks this year with the exception of 9th grade Bible students, who may use spiral if they wish.
- Blank book to use as a journal. (Last year's Commonplace book is sufficient, but it will be used differently this year.)
- Pack of 100 3x5 cards. (Last year's cards will work but not if they were cut up paper.)
- Something to put the 3x5 cards into so they can be put in alpha order and found again easily. Even a ziplock bag would work.
- Bible
- Highlighter
- 8 pack of colored pencils
- Calculator (handheld, not on phone)
- One small (8 1/2x11 or smaller) sketchbook
- Each student needs a change of clothes that meets dress code to be kept at school for emergencies.

Students who sign up for **Agriculture/Home Maintenance** will need:

- One pair of leather gloves (can get cheaply at Tractor Supply)
- One pair of sunglasses

Students who sign up for **Arts & Humanities** classes will need to purchase their own art and photography supplies. That list will be sent separately to those who sign up.
