

Birthday or Party Treats

Little Angels Preschool strives to provide a completely NUT-FREE environment. Our students with nut allergies are not asked to sit at a different table or share a different snack on special occasions such as birthdays and holiday celebrations. Please help us provide a safe eating environment for all of our Little Angels with *Nut-free snacks for your child's birthday treat!

Should your child wish to bring a snack to share with the class, please check the ingredient list and be sure that the item does not contain any peanut/tree nut products and/or comes from a peanut/tree nut free environment. Please provide the pre-packaged (unopened) item to the classroom teacher at drop-off time. Bakery products must be brought in the original container from the bakery along with an ingredient list from the establishment where the items were prepared. Bakery products must also come from a peanut/tree nut free environment.

- Visit the website <http://SnackSafely.com/snackguide> for acceptable snack items & more information.
- ALWAYS read the label- manufacturers often change facilities and equipment.
