## PRAYER REQUESTS

---

**Dan Uhly**-He is having an aortic aneurysm repaired on his right side on 10/27. They are doing a new procedure and if that doesn't work, they will have to open him up.

**Bob Franck**-Please pray for strength, health, endurance, and patience through this process as his white blood cell count drops to near zero and the stem cells then kick in. Please pray that he would not have trouble with nausea or vomiting and be able to eat well.

**Ed**-(R Reddick & N Case's brother) passed away. Pray for God's comfort for the family as they mourn this loss.

**Harlan Reddick**-(Lawrence Reddick's father) He has moved to live with the Reddick family. Please continue to pray for his health and healing as he recovers from a cracked pelvis.

**Kathy Roach**-(former classmate of C Wells) The vent did damage to her right vocal cord so she is back to nothing to eat or drink. Doctors are changing meds to see if that helps with swelling. Also, pray that they can find a good rehab hospital that will work with her as she fights cancer & being paralyzed, and for the blood clot in her spine to be absorbed so her legs might work again.

**Beth Vedvik**-Pray against her esophageal spasms.

### PEOPLE IN THE MILITARY
