Baby Bottle Campaign

Mother's Day to Father's Day will mark our annual Baby Bottle Campaign. It's a fun way to obtain financial gifts to help support PSC and is a great opportunity for churches, businesses, and groups to have hands-on involvement. The idea is to encourage each family or person taking a bottle to fill it with their pocket change, currency or checks too! **If you would like to become a church or business coordinator or would like more information about Change for Life, please give us a call at (785) 823-1484 or email info@pscshalina.com**

The Amazing PSC Boutique

By Carrie Carlson, Center Manager

God provides in the most wonderful ways! As many of you know PSC has moved to a new location and the new building has so much more space than our previous one, in fact, our boutique is four times larger! PSC volunteers Pam, Charlene, and Peg spent many days unpacking boxes, hanging clothes, bringing the boutique to a well-organized spacious room filled with NB – 2T clothing, baby blankets, supplies, and all things baby. We are praising God for how He has provided and are grateful we can share this wonderful blessing with the women and men who walk through our doors!

There is No "I" in Team

By Shelly Wilson, RN, BSN
Staff Nurse

You would be hard pressed to find a team better than ours. I always believed this to be true, and we have thoroughly tested that theory over the past few months.

I can say with total confidence that I work with some of the best people I've ever known.

Moving across town has been quite an adventure, but with the guidance of the Lord our team proved up to the task. Boxes and packing tape, labels and loading, August heat and sore muscles, prayer and willpower, little by little we made it through—as a TEAM.

And now we are finally seeing the beautiful fruits of our labor, of your prayers and donations, and of God's goodness! Our new center has really come together and it is quite a beautiful sight.

To God be the glory!

A Beating Heart and Transformed Hearts

By Jana Weldy, RN
Medical Manager

"Cara" came to our center with an unplanned pregnancy and a heavy heart. She was unmarried with no insurance and a boyfriend who had a history of telling her he did not want children. Cara became withdrawn and quiet when she learned the pregnancy test was positive. When she returned for a sonogram, I was happily surprised that Cara's boyfriend "Tim" was with her. During the scan Tim gushed about his child and the plans he had for him or her. Cara apologized for crying during the scan, but since they were tears of joy I welcomed them. What a blessing to see God transform the hearts of this young couple as the sonogram revealed a beating heart and the miracle of life!

In answer to the question: "What did you like best about this Center?" The following were some of the responses we received:

- "The way the staff made me feel, and the way they prayed for me"
- "Friendly staff, helpful resources, a place that has faith in God"
- "Unjudging and very welcoming"
- "How understanding everyone is"
- "This place is amazing/very helpful"
- "The help with finding services for baby"
- "Talking with someone"

A Word of Thanks from James

I will give thanks to the Lord with my whole heart; I will recount all of your wonderful deeds. —Psalm 9:1

Friends of PSC,

Thank you for supporting God's life saving work at PSC. You have made our new facility possible and enabled us to serve more clients and expand our ministry to them. I want to take a moment here to thank friends who helped with the purchase and relocation and donated time and materials:

404 Move donated time and equipment to move the contents of our old building and also transported new furniture.

The people at PowerVac painted and installed our new sign. We have had many comments from both clients and ministry friends about how great it is.

Thank you to Ryan's Electric. They have been updating parts of the building and fixing issues we find.

SaGE Products has helped us with fixing the parking lot and supplying paper products and cleaning and air freshening equipment to keep the new facility clean and welcoming.

The Ark Church, Emmanuel Church Abilene and several friends of the ministry donated money and time to update the carpeting in the lobby and main client areas. What a wonderful gift! **The Ark Church** also sent a team to help clean up landscaping, paint rooms, and remove wallpaper.

On behalf of the Board of Directors and the staff and volunteers who serve at PSC...THANK YOU! We are so blessed by your kindness and generosity in making this new facility a beautiful and welcoming place.

If you would like a tour, please call 785-823-1484 and ask to speak with Yesica or email director@pscsalina.com. It would be our joy to give you a tour and show what God is doing through PSC.
