**A NERVOUS LOOKING MAN IN A MILITARY UNIFORM** knocked at the door of the Mobile. "What do you do here?" he asked. Upon learning that we offer pregnancy tests and limited ultrasound and help women and men facing unplanned pregnancies, he asked if he could bring his girlfriend. When they arrived, she explained that she had begun to cry when she saw the positive home pregnancy test. She had previously been in an abusive relationship and had an abortion. Now with help from PSC at the Mobile and the loving support of her current boyfriend she is excited about this pregnancy!

**"IF I AM PREGNANT I HAVE TO HAVE AN ABORTION,"** Kelly said as she entered the intake room alone, while Aaron spoke with a male advocate. Kelly and Aaron came to the Pregnancy Center for a pregnancy test. Through numerous visits with her advocate, Kelly wrestled with the choices she was facing. Aaron maintained his support for her throughout this process. Kelly received ultrasound services and initially declined pictures of the baby. The couple returned and requested the pictures and shortly thereafter chose life.

**"I CANNOT HAVE AN ABORTION AGAIN."** Sheila had a previous abortion and because of that experience, she was determined to carry this pregnancy to term. She came to the Center seeking information about adoption. Although we are not licensed to facilitate adoptions, we do offer peer counseling, literature and a referral list of adoption agencies. We provided the information and prayed with her. The last time we talked to Sheila, she was working with an adoption agency and looking through family profiles to choose a family for her baby. Although we have not learned Sheila's final decision, we are encouraged that she chose life and thankful to have provided help.

# GIVING THANKS

by Tina Price, Executive Director

Dear Friends,

In PSC's initial year an unpaid director assisted by a couple of volunteers served 13 clients through pregnancy tests and material assistance. Today the center has eight regular staff members, over 50 volunteer support staff, and more than 1,000 partners! Last year 550 women and men were served through pregnancy tests, limited diagnostic ultrasound with three certified nurse sonographers, childbirth classes lead by a certified childbirth educator, options counseling, post abortion ministry, fatherhood program, individual educational coaching, as well as relationship and parenting classes. The recent addition of a 31 foot mobile unit has enabled us to reach beyond our front doors. To date we have served 70 clients in Junction City, Abilene, and south Salina. What an incredible time it is to be a part of the PSC ministry!

We currently bring our iDecide sexual health program to five public schools. This year we were granted permission to present iDecide in the USD 305 middle schools. With this answer to a long time prayer we are able to impart the truth of purity to more than 1,000 additional students!

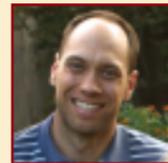

This growth has necessitated realigning staff responsibilities to most effectively meet the needs of our clients. Following are the current staff members along with their titles and responsibilities.

**Tina Price, Executive Director:** responsible for the oversight of the ministry, community and partner relations, and fund raising. *Full time position.*

**Leslie Belvill, RN, BSN\*, Client Services Manager:** responsible for oversight of all client and medical services within the Center. *Full time position.*

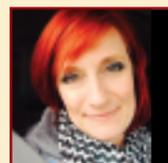

**Todd Just, Operations and Program Director:** responsible for managing the day to day operations at the center and overseeing the Fatherhood program, education program, and iDecide program. *Full time position.*

**Janna Weldy, LPN\*, Mobile Manager:** responsible for day to day operations and medical services on the mobile unit. *Part time position.*

**Brett Cooper, Communications and Accounting Director:** responsible for all accounting and receipting as well as communications for the community and fundraising committees. *Full time position.*

**Francheska Bailey, iDecide Manager:** responsible for organizing and teaching the iDecide program. *Part time position.*

**Judy Beck, RN, BSN\*, Medical Manager:** responsible for oversight of all medical services. *Volunteer part time position.*

**Marsha Goossen, Administrative Assistant:** responsible for the reception and daily upkeep of the center, data entry, and assisting staff with administrative needs. *Part time position.*

\*Certified in limited diagnostic ultrasound.

Our Great God has done more than we could have ever asked or imagined! This Thanksgiving season we give thanks for each of you who have helped make all of this possible. Happy Thanksgiving! Merry Christmas, and Happy New Year!

Together in Christ to encourage life, healing and purity,

Tina

## SPECIAL TIMES

## "A HIGHER POWER MUST HAVE CREATED ALL THIS."

Lisa had been raised in church but now had many questions, and her visit for a pregnancy test had led to a spiritual discussion. We were privileged to read some scriptures with her and talk about her questions. When we shared the gospel, Lisa said she had accepted Christ as a child but "not as an adult." That day she chose to give her life to Christ. Her friend, Melissa, who had accompanied her also prayed to receive Christ! We rejoiced with both women and gave them Bibles and church referral lists. Each day we ask God to give us opportunities to share the gospel with clients. How sweet it was to share with two and see both respond to Him!

These are just a small sample of stories that we celebrate! If God has stirred your heart to become a part of the ministering team at PSC or on the Mobile, please contact Leslie at 823-1484 or by email at [leslie@pscshalina.com](mailto:leslie@pscshalina.com). God bless you and your family this Thanksgiving and Christmas season!
